

# KS2 Statutory and Recommended First Aid Pathway

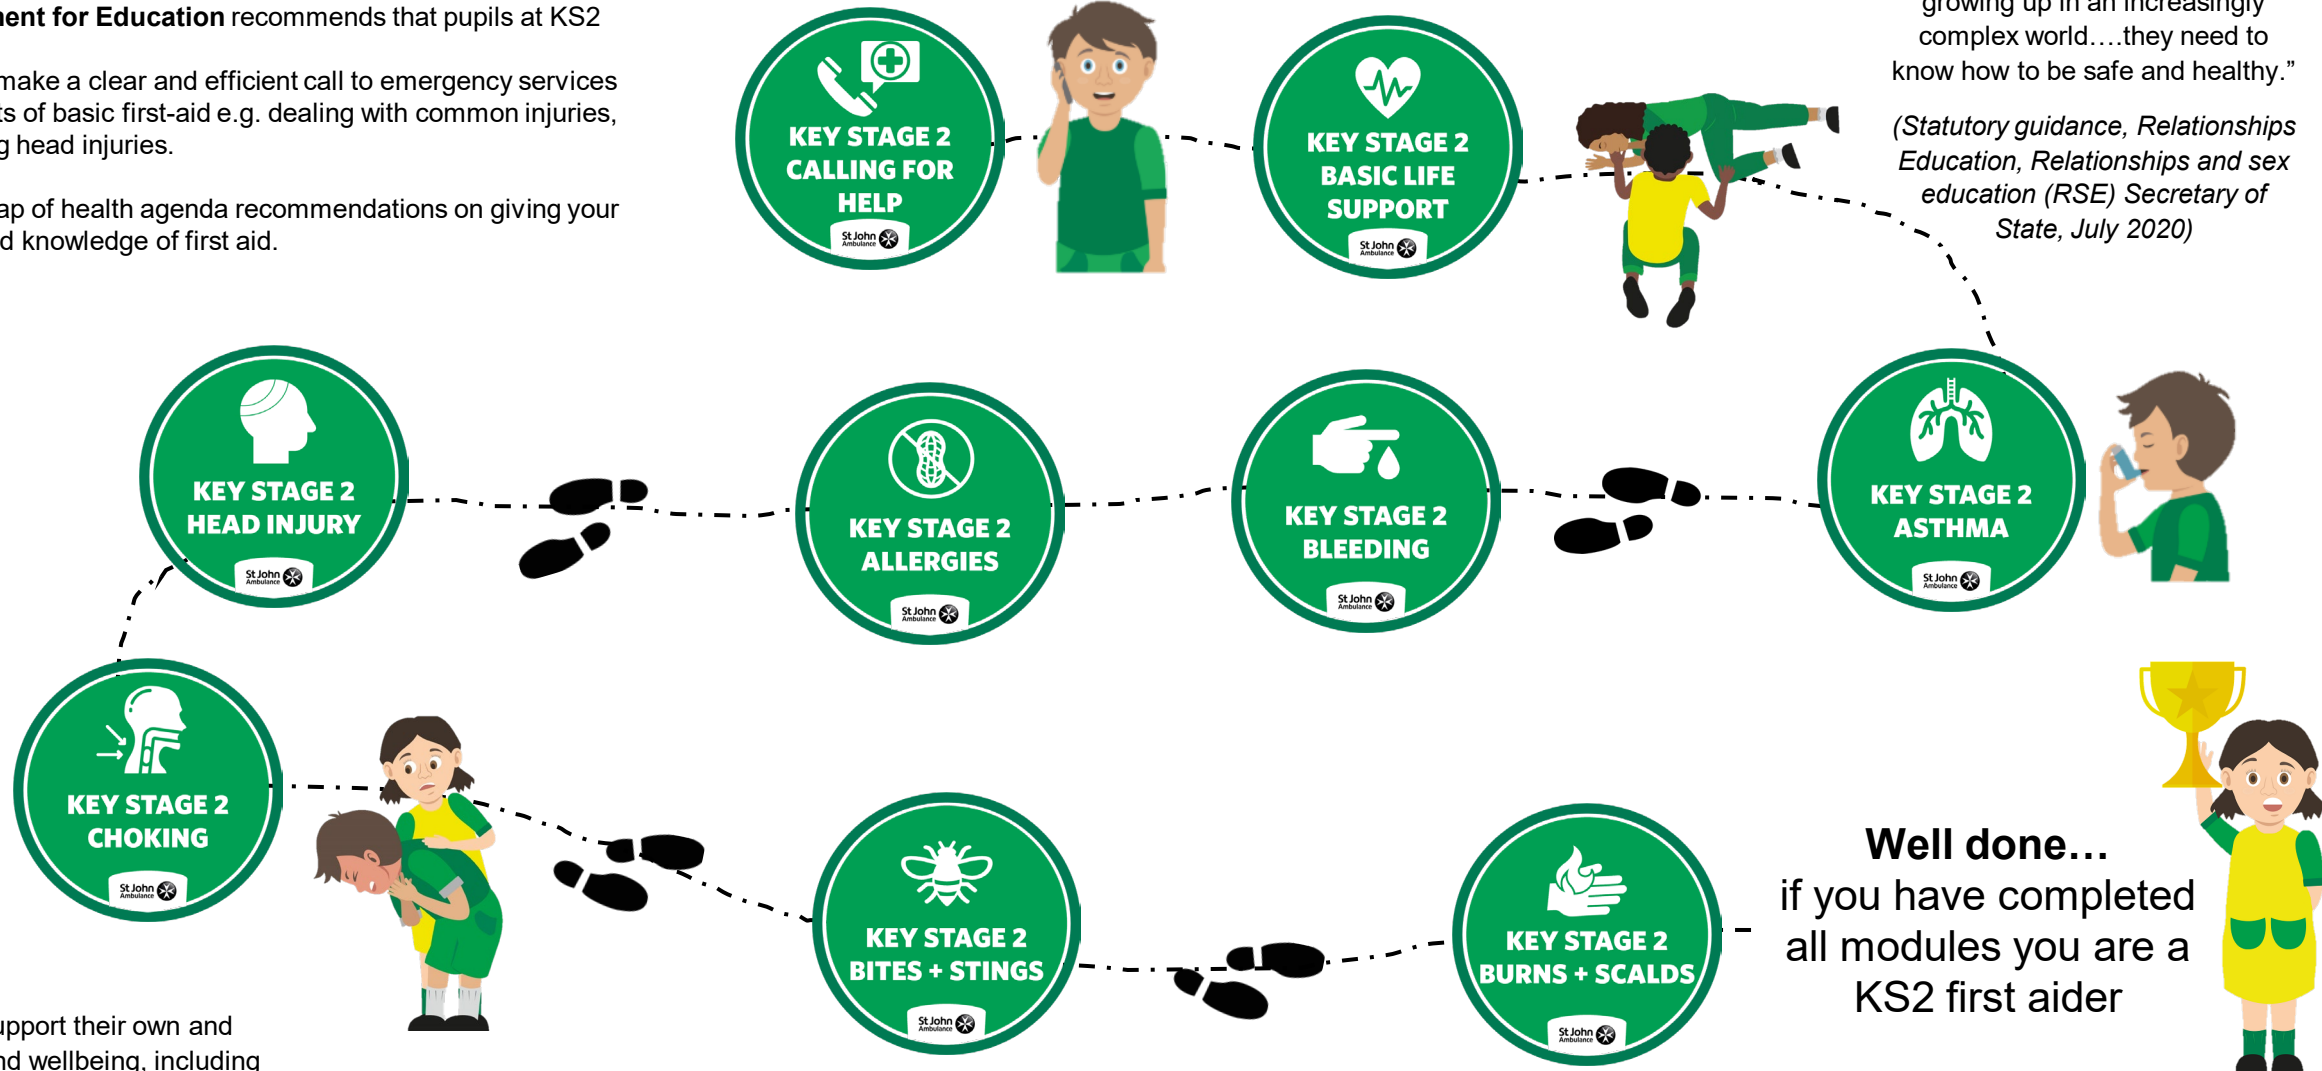

The **Department for Education** recommends that pupils at KS2 should know:

- How to make a clear and efficient call to emergency services
- Concepts of basic first-aid e.g. dealing with common injuries, including head injuries.

Follow the map of health agenda recommendations on giving your pupils a sound knowledge of first aid.

“Children and young people are growing up in an increasingly complex world....they need to know how to be safe and healthy.”

*(Statutory guidance, Relationships Education, Relationships and sex education (RSE) Secretary of State, July 2020)*

**Well done...**  
if you have completed  
all modules you are a  
KS2 first aider

“Pupils can support their own and others’ health and wellbeing, including basic first aid.”
